

Publication Scheme

Please find below the information we proactively publish, available on our website.

Other information can be obtained in line with the Freedom of Information Act 2000. To make a Freedom of Information request please contact enquiries@veritau.co.uk.

Who we are and what we do

Organisational information, locations and contacts and governance can be found here:

<https://veritau.co.uk/about/governance/>

<https://veritau.co.uk/about/our-company/>

What we spend and how we spend it

Information about our income can be found in our annual reports:

<https://veritau.co.uk/about/annual-reports/>

Since we are not directly funded by taxpayers we do not proactively publish expenditure, tendering, procurement and contracts.

What our priorities are and how we are doing

Some information about performance and plans can be found in our annual reports and board meeting agendas:
