**Contract:** Permanent, full-time or part-time

**Salary:** £26,403 - £31,537

# ABOUT US

Veritau provides assurance services to local authorities, schools and other public sector clients, helping our clients to operate effectively, mitigate risks and comply with laws and regulations.

Our main services include internal audit, counter fraud, information governance and risk management. We're owned by our member councils, meaning our work sits at the heart of the public sector. Our main offices are in York, Northallerton and Leicester, but we provide services across the country. Many of our employees have adopted a hybrid working approach, spending some time at home and some in the office.

"Veritau" comes from the Latin for "truth"; we pronounce it "Veri-toe".

Veritau has been recognised as an Investor in People since 2011.

We are also signed up to the Good Business Charter, an accreditation that seeks to raise the bar on business practices for employees, the environment, customers and suppliers.

We are an accredited Living Wage Employer. We strongly believe that a hard day's work deserves a fair day's pay and are proud to show our commitment to ensuring everyone can earn enough to live on.

We are registered with the Disability Confident scheme and encourage applications from disabled people. We are committed to an inclusive recruitment process and working environment.

We have signed the Armed Forces Covenant, demonstrating our commitment to ensuring the fair treatment of those who serve or have served in the Armed Forces, and their families.

We're proud to be one of the first local authority related organisations to receive accreditation as a Living Pension Employer, demonstrating our commitment to providing fair and sustainable pension benefits to our employees.

During the induction period, we will expect employees to work in one of our main offices for a number of days. This is to support training and learning, and to provide you with the opportunity to meet other team members.

**Reporting to:** Assistant Director - Corporate Fraud / Corporate Fraud Manager

**Contract:** Permanent, full-time or part-time (37 hours p/w, flexible hours)

# JOB DESCRIPTION

## **Main purpose of job**

To support the corporate fraud team in the provision of services to client organisations. To identify and obtain information to enhance initial referral triage processes, and to undertake compliance enquiries to identify and correct issues affecting client organisations.

## **Key tasks and responsibilities**

### ***Level 1 (SCP\* 7 - 9)***

Lead compliance and verification enquiries to assist clients in amending claims for funding, discounts/exemptions, and services, as appropriate. This includes identifying cases deemed unsuitable for criminal investigation that can be followed up with compliance action.

Complete actions assigned by relevant officer(s) to develop case files before they are assigned to investigation officers. This will include obtaining information from clients and third parties.

Communicating with members of the public in writing, by telephone, and face-to-face to establish relevant facts during the course of enquiries.

To conduct visits where necessary to pursue compliance enquiries and supporting other members of the team during visits and interviews, including those conducted during criminal investigations.

Clearly and concisely report findings to clients so that decisions on entitlement to support or services can be correctly assessed.

To track outcomes of compliance enquiries and record relevant information on the Fraud Case Management System.

To assist clients in tracing debtors, enabling them to recover funds.

To maintain records to the standards set by the AD - Corporate Fraud/Corporate Fraud Manager.

To attend hearings/tribunals or appear in court, either to present cases or in the capacity of a witness.

Support the set-up of e-learning packages based on content developed by Veritau colleagues.

*\*SCP = Spinal Column Point*

To prepare and update statistical reports using information obtained from the Fraud Case Management System.

To complete data interrogation exercises under the direction of the AD Corporate Fraud/Corporate Fraud Manager. To obtain information from the Fraud Case Management System and other databases to aid proactive counter fraud exercises and investigations.

To maintain up-to-date knowledge of all relevant legislation, regulations and client policy.

To maintain effective relations with other agencies including other local authorities, the DWP, and the police. To take part in fraud prevention and detection projects and other joint operations with other such agencies as directed by the AD Corporate Fraud/Corporate Fraud Manager.

To support the provision of fraud awareness training to staff within client organisations, including preparation of materials for annual counter fraud campaigns.

To promote the awareness and status of Counter Fraud services and the other services provided by Veritau to each client.

Provide support with referral triage processes as required.

To undertake any other duties commensurate with the post.

The activities to be undertaken will be at a level appropriate to the skills, knowledge, and experience of the postholder.

### ***Level 2 (SCP 10 – 12)***

As level 1 plus successful completion of a relevant level 4 apprenticeship (or equivalent).

To complete tasks as directed by senior officers within Veritau to support fraud investigations undertaken on behalf of client organisations.

### ***Level 3 (SCP 13 – 18)***

As level 2 plus a minimum of 2 years relevant experience.

To act as Disclosure Officer for members of the team who prepare criminal cases for court.

**Note – completion of a level 4 apprenticeship is voluntary.**

## **Initiative and independence**

Work will be assigned by the AD Corporate Fraud/Corporate Fraud Manager and/or relevant Senior Corporate Fraud Investigators.

The post holder must be able to show initiative and tact when requesting information from client officers, external agencies, and third parties.

The post holder will be required to gather and interpret available evidence and other relevant information.

Many of the tasks undertaken by the post holder will involve receiving and processing confidential and sensitive data and information. The post holder must therefore ensure that all information is treated with care. The post holder may also need to deal with contentious matters when dealing with cases. A willingness to question and challenge assumptions and explanations is important. It is essential that tact is applied when dealing with sensitive situations.

Any unauthorised disclosure of information may breach legislation and/or be detrimental to the reputation of Veritau and/or its clients.

## **Communication**

The post involves regular contact with managers and staff within Veritau, client staff and members of the public. The post will also involve contact with other agencies, including the DWP, and the police.

The post holder will attend meetings with client officers to gather information and report on the outcomes of compliance enquiries. Where complex or contentious issues are likely to be discussed, a suitable member of the team will provide support.

## **Demands**

Work will be allocated by a member of the Fraud Management Team, but otherwise the post holder is in control of their own workload. The pattern of the work will vary depending on the nature of tasks assigned and can change daily due to interruptions and urgent requests.

The post holder will be required to work to a high degree of accuracy when analysing, interpreting and recording information. This may require a high degree of concentration for extended periods.

There are no strenuous physical demands associated with the post. However, the post may involve contact with customers or other members of the public who are potentially violent or aggressive. Such contact can occur in the workplace or during visits. The post holder may be required to travel to different client sites and use different client systems.

## **Responsibility for resources**

There are no staff reporting to the post holder and no supervisory responsibility.

## **Competencies**

See competency profile for post.

## **Work environment**

The post holder will work in a normal office environment. Work outside normal office hours, in the evenings and at weekends, may also be expected on occasion.

## **Health and safety responsibilities**

The post holder will need to comply with the requirements of health and safety legislation.

## **Equalities**

The post holder will need to:

- ▲ ensure services are delivered in accordance with the aims of the company's Equality Policy Statement
- ▲ assist in achieving service equality objectives
- ▲ take opportunities to develop their own understanding of equality issues
- ▲ undertake mandatory training on equalities at least once every three years.

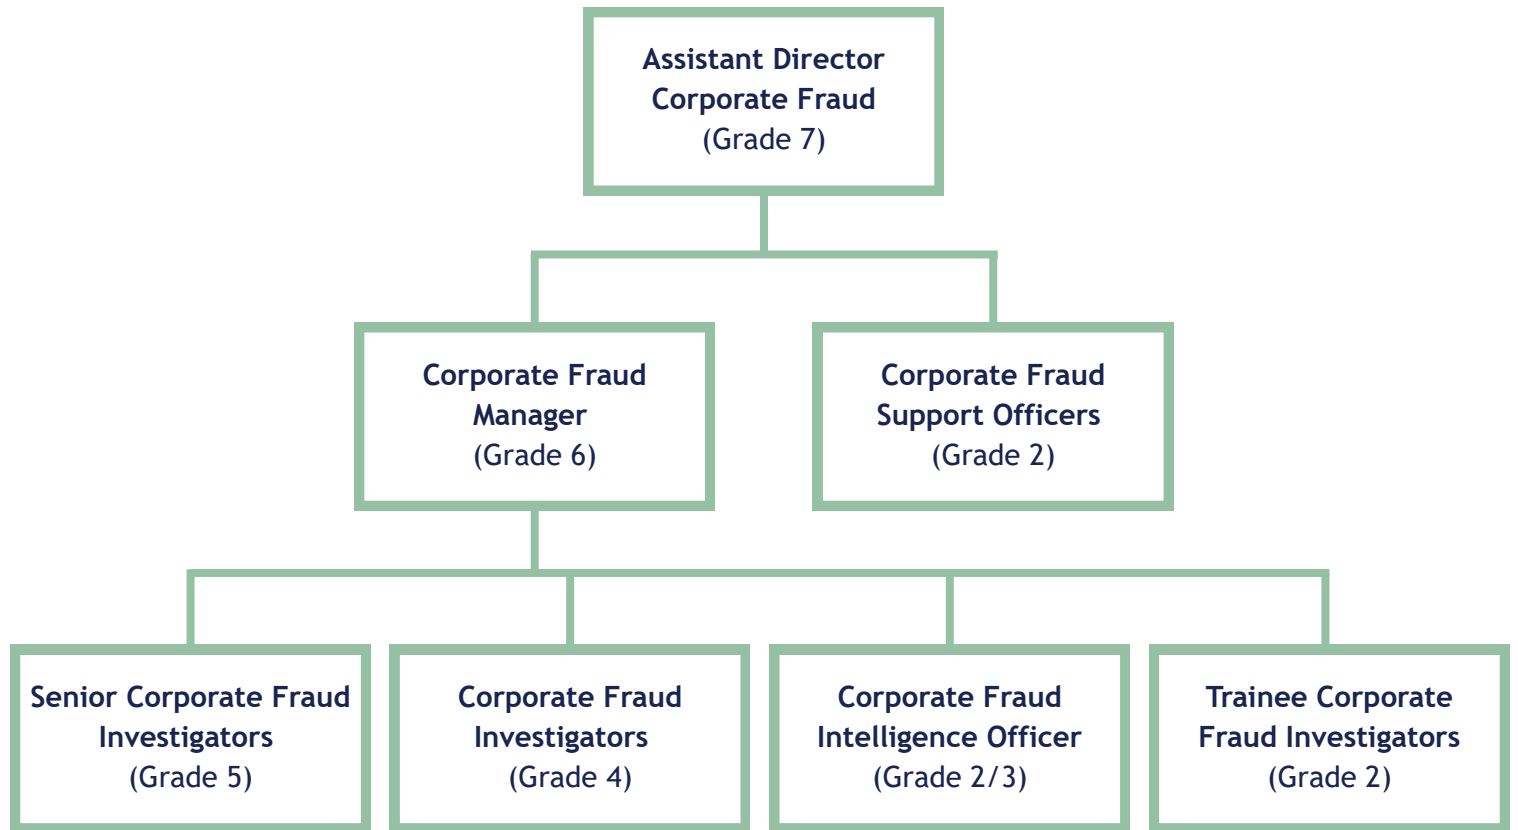

## **Responsibility and company policies**

Veritau is a dynamic organisation, which recognises the need to respond flexibly to changing demands and circumstances. Whilst this job outline provides a summary of the post, this may need to be adapted or adjusted to meet changing circumstances. Such changes would be commensurate with the grading of the post and would be subject to consultation. All staff are required to comply with the company's Policies and Procedures.

In relation to Data Protection, Information Security and Confidentiality, all staff are required to comply with the company's policies and supporting documentation in respect of these issues.
